Dear Supporters,

On behalf of Old Dominion Foundation, Incorporated, I want to extend my heartfelt thanks for your support of our 19th Annual Old Dominion Foundation Golf Tournament at the magnificent Dominion Valley Country Club in Haymarket, Virginia.

To those joining us for the first time, welcome, and to those who have supported us through the years, welcome back! Whether you played, sponsored, donated, or volunteered, your contribution will make a lasting impact. Your commitment and goodwill are what drive our continued success, and we are incredibly grateful for your involvement.

It is through all of your support that we can sustain Old Dominion Foundation's efforts to improve the lives of families within our community. For over 30 years, Old Dominion Foundation has served as a philanthropic organization providing support for educational, charitable, and cultural endeavors in Prince William County, Virginia. Old Dominion Foundation's fundraisers are in partnership with the Old Dominion (VA) Chapter of The Links, Incorporated, to support initiatives that include helping families experiencing food insecurity, supporting wellness expos, and providing STEM-focused programming to middle school students, and scholarship funding for college-bound students.

I would like to extend a special thank you to all who contributed to making this tournament successful, including the Golf Tournament Co-Chairs and Committee, members of Old Dominion Foundation, Dominion Valley Country Club, golfers, corporate and community sponsors, vendors, souvenir journal advertisers, families, friends, and all the participants.

We look forward to continuing our partnerships to enrich the lives of the Prince William County community, and we welcome you back next year for our 20th Anniversary Golf Tournament, which we know will be an even bigger and better event thanks to all of you.

Sincerely,

Angela Mitchell

Chairman, Old Dominion Foundation, Incorporated

Dear Family, Friends, and Sponsors,

On behalf of the membership of Old Dominion Foundation, Incorporated, and the Golf Tournament Committee, we welcome you to the 19th Annual Golf Tournament at Dominion Valley Country Club in Haymarket, Virginia.

Our theme this year is, "Forward Swing." A metaphor for progress to lean in, gather energy, and then release with purpose toward your goal. This is especially imperative now during moments that test our resolve and give us pause. Yet just like the rhythm of a swing, those moments prepare us to go higher. As we take a stance to gather our strength and swing forward with everything we've got is our leap toward the possibilities ahead.

Let's go full swing — not just hoping to succeed but daring to soar.

We hope our guest golfers will enjoy playing at the best golf course in Prince William County. We hope our non-golfing guests will have a wonderful afternoon of food, fun, and fellowship!

We are humbly thankful for the dedication, commitment, and service of our Committee Leads for the countless hours spent planning and preparing for this annual fundraiser.

Old Dominion Foundation, Incorporated, extends a heartfelt thank you to our supporters. We look forward to our continuing partnerships on future endeavors by supporting impactful programs and awarding scholarships to deserving youth in Prince William County, Virginia.

Warmest regards,

Melanie Jones, Co-Chair
Angela Mitchell, Co-Chair

College Scholarships

The Old Dominion Foundation, Incorporated, continues to pursue the vision of its founders, DyAnne Horner Little and Willa Rawls Dumas, in the spirit of dedication, hard work, and a quest for excellence. Throughout its 33 years of existence, the Foundation has provided over \$230,000.00 in funds for scholarships, initiatives, and programs, which include

The Ethel L. Reaves Community Service Leadership Award

In memory of Ethel L. Reaves, a registered nurse, who was a charter member of the Old Dominion (VA) Chapter, The Links, Incorporated, we are honored to be able to offer a college scholarship in the amount of \$2,500 in her name. Exemplary community service is required for this scholarship. The recipient has the choice of attending any accredited four-year college or university.

The Willa and George Dumas College Scholarship

In memory of Willa and George Dumas, who were instrumental in organizing Old Dominion (VA) Chapter, The Links, Incorporated, we are privileged to offer the only sustaining college scholarship in the amount of \$1,500 this year. In addition, a \$500 scholarship will be awarded to the same recipient for each of the remaining three years of enrollment at an accredited four-year college or university of choice, provided that he/she continues to maintain a 3.0 GPA and demonstrates evidence of leadership and community service.

The Fannie W. Fitzgerald Educational Leadership Academic Scholarship Award

In memory and honor of Link Fannie W. Fitzgerald, who was a charter member of Old Dominion (VA) Chapter, The Links, Incorporated, we are honored to be able to offer a college scholarship in the amount of \$1,250. Link Fannie was a trailblazer in her community due to all of the accomplishments that she made in helping to desegregate the school system in Prince William County. She was one of the five African - American teachers who was called to integrate certain elementary schools before the county fully integrated. Link Fannie served in an administrative position but returned to her love of teaching children until she retired. An elementary school is named in her honor in the County and located on the street named Benita Fitzgerald Drive which is named after her daughter—1984 Olympiad Link Benita Fitzgerald Mosley. Recipients must attend an accredited four-year college or university.

The Wilhelmina Reuben-Cooke Distinguished Educator Academic Scholarship Award

In memory and honor of Link Wilhelmina Reuben-Cooke who was a member of Old Dominion (VA) Chapter, The Links Incorporated, we are honored to be able to offer a college scholarship in the amount of \$1,250. In 1963 Link Wilhelmina was one of five African American students who desegregated Duke University in Durham, North Carolina. Until 1963, the university was a white-only school for both students and faculty alike. Known as the "First Five", these Black undergraduate students peacefully broke segregated barriers and entered classrooms that were previously closed to Black students. Link Wilhelmina graduated in 1967 and went on to serve on the Board at Duke and also became a distinguished lawyer. In 2020 the Duke Board of Trustees announced that it would be naming its iconic west campus building after a Black pioneer for the first time in the history of the university—Wilhelmina Reuben-Cooke. The Board of Trustees voted unanimously to proceed with the new name. As the current president at Duke stated, "From this day forward, anyone who passes through its doors will carry on the legacy of accomplishment, engagement, and lasting impact of Wilhelmina Ruben-Cooke." Recipients must attend an accredited four-year college or university.

Historically Black Colleges/Universities Scholarship (HBCUs)

In recognition, respect, and love for our HBCUs, we are offering a \$1,250 scholarship to an applicant who will be attending an accredited four-year HBCU. The selected applicant must meet the qualifications established by Chapter.

Dear Members of the Old Dominion Chapter of The Links, Incorporated,

I am deeply honored to extend my heartfelt congratulations to you on your **19th Annual Golf Tournament**. This impressive milestone reflects nearly two decades of dedication, fellowship, and impactful service to communities across Virginia.

Since taking office in March 2023, as the first Black woman elected to represent Virginia in the U.S. House of Representatives, I have taken great pride in championing initiatives that support education, healthcare access, and civic engagement—values I know align closely with the mission of The Links, Incorporated. Over the years, your Old Dominion Chapter has amplified those values through golf, fundraising, and outreach, empowering youth, funding scholarships, and promoting health and cultural enrichment throughout Prince William County and beyond.

Your 19th tournament once again demonstrates the strength of community collaboration and the power of tradition. Whether raising critical resources for local scholarships, advancing artistic and cultural initiatives, or championing health awareness—your work resonates in homes, schools, and neighborhoods alike.

On behalf of Virginia's 4th Congressional District, I offer my gratitude to every volunteer, sponsor, and participant whose efforts help make this annual event a continued success. Your leadership inspires and reinforces civic pride throughout our Commonwealth.

Congratulations on this remarkable milestone. I look forward to supporting your future achievements and celebrating many more years of service, sisterhood, and success. May each future tournament bring an even greater impact to those you serve.

With admiration and appreciation,
